OAB – SBE MEETING

Its still a few months away but you will have an opportunity to attend the SBE National Meeting in Columbus on September 28, 2011. The SBE national meeting is being held in conjunction with the annual OAB engineering conference which is normally held in November. The date has been moved up this year from November to September so the OAB can host the SBE meeting. Columbus is close and gives everyone a great opportunity to be involved.

Tower Light Outages

The number to call to report Tower Light Outages 877-487-6867. Be sure to have your tower registration number handy, and the FCC requires you to log outages, and needs to include time and date of the observed outage, when it was reported and the initials of both the person reporting the outage and the person taking the report.

This year, July has 5 Fridays, 5 Saturdays and 5 Sundays. This happens once every 823 years.

SBE HAMnet

The "HF" HAMnet takes place on the second Sunday of every month at 0000 GMT. Hal Hostetler, CPBE, WA7BGX, serves as Net Control. The published frequency is 14.205 MHz. Occasionally, that frequency is busy and you may need to move up (no more than 10 kHz) to find the SBE meeting. Hal is Senior Engineer/IT Director at KVOA-TV in Tucson.

Monthly Meeting

The May meeting will take place at noon June 9, 2011. We will meet at the Youngstown Sports Grill, 7463 South Ave. Anyone with an interest in broadcast engineering is welcome to attend our meetings. Bring a friend. The meeting gathers around noon and the business meeting begins just after we order Lunch.
