Microsoft takes a cheap shot at Y-Town

Microsoft to offer "avoid ghetto" feature on future smart phones navigation apps.

Interesting that they picked Youngstown to be the town in the illustration.

Poland will be happy to hear that the north 1/2 of town is designated "near ghetto" and the south 1/2 is designated as "drug area".

Monthly Meeting

The January meeting will take place at noon Jan 12, 2012. We will meet at the Youngstown Sports Grill, 7463 South Ave. Anyone with an interest in broadcast engineering is welcome to attend our meetings. Bring a friend.
