Meeting: Oct 8th , 2nd Thursday Monthly Starting just after 12 noon

Not much actually going on in the region lately. Canfield Fair long gone.

High School football in full swing.

NFL and college sports exciting as usual.

Youngstown State University homecoming mid month

At present I'm attempting to contact the staff of the new England patriots to see what technique they used in "deflategate" and it's potential uses to deflate politicians at election time !

9/22/15 - The FAA has notified users that by December 15th, all NOTAMs will be time-stamped with a time code expressed as a 10-digit code (YYMMDDHHMM) for both origination and termination - EST being defined as "Estimated."

(More info at: http://www.faa.gov/regulations_policies/orders_notices/)

9/22/15 - Brazil is in the process of moving AM stations to the FM band, specifically the 12 MHz originally occupied by Channels 5 and 6 - 76 to 88 MHz. Shively Labs has announced new field-assembled wide-band antennas for the new service.

Thanks to Barry and the BDR, a great source for the latest news of the industry,
a weekly e-mail report, and FREE !

DON'T FORGET... It's the end of the Third Quarter
